Terms of sale

To those with approved credit, payment is due within 30 days of the date of invoice. A 2% per month finance charge will be imposed on all past due accounts. All other orders require a 40% deposit at the time of order entry. The balance will be due by certified cheque upon receipt of shipment (C.O.D.).

Prices

Prices are F.O.B. factory and do not include freight charges. Prices are subject to change without notice.

Taxes

If applicable, taxes will be added to the invoice except when a tax exempt certificate is provided with the purchase order at the time of order entry.

Freight charges

Freight charges are determined and collected by the carrier unless Henderson Recreation Equipment Limited is requested and agrees to prepay and add these costs to the invoice.

Delays in transit

Henderson Recreation Equipment Limited is not responsible for delays in transit and such delays shall not alter our invoicing terms. If your order does not reach you within a reasonable time after being advised that shipment went forward from our factory, Henderson Recreation will assist you in the tracing process.

Loss or damage in transit

Henderson Recreation Equipment Limited is not responsible for loss or damage in transit. When we release the material to the carrier, a bill of lading is signed which states that the shipment was received from us complete and in good condition. A copy of this bill of lading is forwarded to you with the shipment and should be checked carefully with the materials you receive. Any shortage, discrepancy or damage must be noted on the delivery receipt and signed by the driver. Failure to note exceptions on the delivery receipt may impair your right to recovery from the carrier.

Order cancellation

Once accepted, orders can be cancelled only with the consent of Henderson Recreation Equipment Limited, and on terms which will indemnify Henderson Recreation Equipment Limited against loss. Cancelled orders will be subject to a restocking fee. Orders for custom-built equipment cannot be cancelled.

Weights

Weights and sizes are reasonably accurate and could vary with product changes. Weights do not include added weight through packaging and shipping.
