Such carrier claims are not valid legal basis for withholding any related payments to National Recreation Systems, Inc. or its representatives.

MILL FINISH STAINING:

Economical mill finish foot plank and risers are standard on NRS products in this price list. NRS will not be responsible for discoloration or staining (dark black, brown, or white residue) resulting from unavoidable condensation that occurs during packing, transporting and storage, preceding and/or during installation. Removal of these stains or replacement of boards upon completion of installation is not part of this standard pricing because stained mill finish boards meet industry standard requirements. A clear anodized finish may be quoted at an additional cost to avoid potential discoloration or staining.

Customer should verify goods received at time of delivery. Customer assumes responsibility for the safe keeping of products, regardless of whether installation is to be done by National Recreation Systems, Inc.'s subcontractors or others. The customer is liable for costs to repair or replace any components lost or damaged by weather, theft, vandalism, or other causes beyond the control of the manufacturer.
